# Data Privacy Statement *

Your application data is stored and processed as set out in the Data Privacy Statement regarding the University of Luxembourg E-recruiting System. By selecting "Yes", you confirm that you have read the Data Privacy Statement and give your consent to the collection, use, transfer and disclosure of your personal information as stated in this Data Privacy Statement. Your consent is freely and voluntary given. You can refuse your consent without giving any reason and revoke it at any time by writing an email to hr-recruitment@uni.lu. However, please note that our services may be subject to restrictions in this case, as set out above in the Data Privacy Statement.

Data Privacy Statement – University of Luxembourg

| Please agree | ⌄ |
|---|---|

You agree and expressly consent to be taken under consideration for other or future roles at University of Luxembourg within 24 months. Consent for the processing of personal data for the future recruitment purposes is not a condition to apply for the initial position. If you consent to such processing, your data will be kept for additional period of 24 months. Your consent is freely and voluntary given. You can refuse your consent without giving any reason and revoke it at any time by writing an email to hr-recruitment@uni.lu. However, please note that our services may be subject to restrictions in this case, as set out above in the Data Privacy Statement.
